ACADEMIC S SUCCESS

Two former Orange football standouts represent the athletics program on the University's Board of Trustees. All-American and All-Pro receiver Art Monk was elected to the board in 2006 and All-Pro quarterback Donovan McNabb was named in 2002, becoming one of the youngest ever to be named to the University's leadership group.

"I want to bring ideas from an academic and athletic perspective. I want ro represent all male and female student-athletes from the past, present and future. This is an honor for me. It is a special feeling to be appointed as a member of the Board of Trustees because there are not a lot of people my age who are considered."

~ Donovan McNabb
November, 2002

"I am excited about the opportunity to be part of the University and to have some input in how things are done. Within the last couple of years I have seen what Chancellor Nancy Cantor has done. It has drawn my attention back to the University. The South Side initiative is one example. When I went to Syracuse, the University was like the city on the hill. It was always separate. Nancy has broken these walls down and is engaging the city in a way that has never been done before. The 'Scholarship in Action' philosophy is just a great concept."

~ Art Monk
November, 2006

Syracuse has received AFCA Recognition for at least a 70 percent graduation rate in 14 of the last 18 years, including the 1999 AFCA Academic Achievement Award for a 100 percent graduation rate.

Syracuse Facilities:
Outstanding Environment for Achieving Excellence

From the Carrier Dome to the new strength training facility to the accommodations in the Iocolano-Petty Football Wing to the Katz and Schwartzwalder practice fields, Syracuse student-athletes have top-notch facilities for competition, preparation and for academic achievement.

In 2005-06, the University welcomed more than one million vistors, including 885,640 to the Carrier Dome.

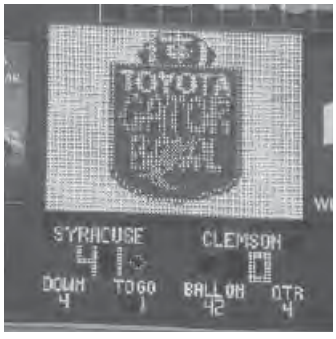
The 'Bowl Season' Has Orange Hue

Syracuse has been invited to all four Bowl Championship Series games, including the Rose (1915), the Fiesta (1992, 1997), the Sugar (1964, 1987), and the Orange (1952, 1958, 1998). In addition, the Orange has played in 15 other post-season games.

Orange quarterback Marvin Graves is one of just six players to win the MVP Award at three different bowl games. Ernie Davis, Jim Brown, Floyd Little, Don McPherson and Donovan McNabb also earned outstanding player honors.

Syracuse is one of just two schools ranked in the top 15 on the NCAA Division I all-time victories list in football and men's basketball.

Syracuse is one of just two schools with a National Championship in football, men's basketball and men's lacrosse.



Game Day Excitement Builds Early

Enthusiasm for the Orange runs rampant on game day.

The passion starts building hours before kickoff in the Family Fun Zone on the University's Quad and it continues with the Orange Quad Walk, when the team parades through fans and supporters en route to the Carrier Dome. Fans in the Fun Zone enjoy a pre-game concert by the Syracuse Marching Band and a variety of activities for all ages.

The Loud House rocks from kickoff to the final horn.

The Express – The Life of Ernie Davis on the Big Screen

"The Express" is the life story of Ernie Davis, who came to Syracuse from Elmira in 1958 and led the Orange to the school's only national championship in 1959.

In 1961, Davis, nicknamed "The Elmira Express", became the first African American to win the Heisman Trophy. Despite being the first player taken in the 1962 NFL Draft, Davis never played a single game of professional football. Ernie Davis died of leukemia in 1963, at the age of 23.

"The Express" will be released in theaters nationally on October 10, 2008.

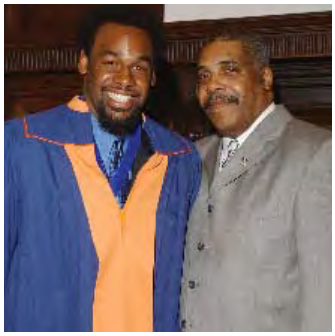
Twenty Syracuse players boast Super Bowl Championships, including five who experience the euphoria of winning the world title this past season with the Indianapolis Colts.

Head coach Greg Robinson and defensive coordinator Steve Russ have a combined four Super Bowl rings from their championship seasons with the Denver Broncos.

The Orange staff boasts 20 years of NFL experience and five summer fellowships in the league.

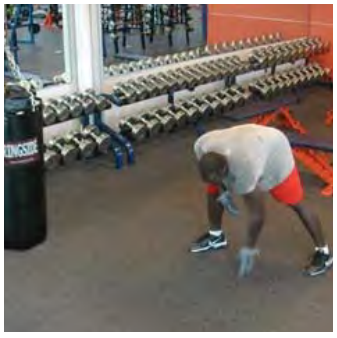
In 2006, Syracuse was first in the BIG EAST and tied for 18th nationally on the list of schools with the most active NFL players. A Syracuse player lines up at every position on the field in the NFL, in addition to an alum who works the sidelines as a head coach.

Syracuse Ties Run Deep



The pride of the Orange never fades. Syracuse alumni remain active in the University and the program long after graduation.

Art Monk (left) and Donovan McNabb (above), serve on the University's Board of Trustees. Many former players return to campus to workout in the department's strength training facility, as All-Pro defensive end Dwight Freeney (below) does. When the Orange take the field, alums line the sidelines, as Atlanta Falcon Quinn Ojinnaka (below) did in 2006.



Orange Pride:
Academic Success and Community Engagement

The Orange football family is committed to the complete development of the student-athletes. The coaching staff establishes solid relationships with the student-athletes in athletics, academics, social accountability and community engagement.

The Syracuse program is based on a love of the game and the desire to compete at the highest level.

The Syracuse Perspective

Syracuse University was officially chartered in 1870 as a private, co-educational institution offering programs in the physical sciences and modern languages.

** Unless otherwise noted, figures represent Syracuse University's Main Campus and Syracuse University Continuing Education (SUCE).*

From our very beginning in 1870, Syracuse University offered equal education to both men and women from all ethnic and cultural backgrounds. During World War II, the University invited Japanese Americans living in internment camps to study at Syracuse, and following the war, opened its doors to 9,600 returning veterans when not all universities were willing to admit them under the G.I. Bill of Rights.

Syracuse has always valued a rich mix of perspectives that offer a world view through a wider lens. In the past year, the University welcomed one of the most academically gifted and diverse entering classes in its history, with a second straight year increase in the number of students from traditionally underrepresented groups—now representing 27 percent of the first-year class.

Early on, Syracuse was one of the first universities in the nation to blend professional studies with a strong liberal arts core. Today, a majority of SU students are enrolled in professional degree programs, many with dual majors that include a liberal arts discipline. This unique educational viewpoint was launched with the founding of the Maxwell School of Citizenship and Public Affairs (1924), the first school of its kind in the nation to bring together the social sciences for public administration education; and the S.I. Newhouse School of Public Communications (1934), generally recognized as one of the nation's premier communications schools.

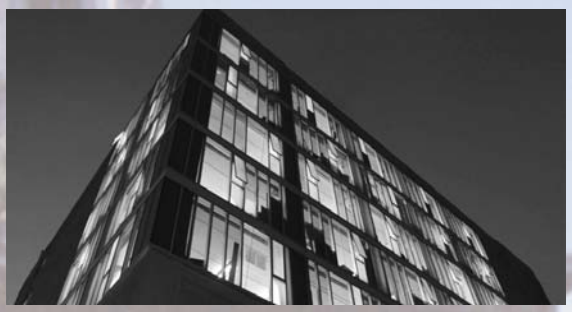
SCHOLARSHIP IN ACTION

Syracuse University puts bold ideas in motion through its vision of *Scholarship in Action*—a vigorous pursuit of knowledge matched with the ability to make a difference in the world. Whether working with schools to increase literacy or working together with neighbors to launch new business enterprises—Syracuse University pushes the boundaries of traditional teaching and research to create new, stronger connections to society. This belief in *Scholarship in Action* illustrates Syracuse University's drive, capacity, and commitment to convert what is learned in the classroom and laboratory into practical use for the public good.

Scholarship In Action is a true reflection of Syracuse University's values. We lead by example, as demonstrated in the following projects and programs:

The **CONNECTIVE CORRIDOR**—the urban pathway that will carve out an arts district from our "hill" into downtown Syracuse—is a successful public-private partnership in community development and design.



THE WAREHOUSE is one of SU's boldest initiatives to establish a presence in downtown Syracuse. The University transformed a furniture warehouse into a multi-use space for academic and community arts programs. The internationally renowned design firm Gluckman Mayner Architects coordinated the warehouse renovation.

The **CROSS-CULTURAL CONNECTIONS PROGRAM,** created by an undergraduate student in partnership with community groups and Latino/a youth, bridges the divide between the Syracuse police and the local Latino community.

The **SOUTH SIDE ENTREPRENEURIAL CONNECT PROJECT**, developed by the Department of Entrepreneurship and Emerging Enterprises and the Falcone Center for Entrepreneurship in partnership with local business owners, promotes new venture growth in an area of the city that is in economic decline.

The **BANDIER PROGRAM FOR MUSIC AND THE ENTERTAINMENT INDUSTRIES**—the first cross-disciplinary program of its kind in the nation—was developed in partnership with Martin Bandier '66 to give students a unique, hands-on learning experience that will prepare them to "hit the ground running" when they enter the music business.

The **SYRACUSE CENTER OF EXCELLENCE IN ENVIRONMENTAL AND ENERGY SYSTEMS** links business with university-based researchers to develop new technologies, solutions, and applications that improve human health and productivity in built and urban environments.

The **INSTITUTE FOR THE STUDY OF THE JUDICIARY, POLITICS, AND THE MEDIA**, a joint effort between Maxwell, Newhouse, and the Law School, is leading the discussion about the complex ideological, political, and economic issues facing our system of justice.

Syracuse, New York: City Living with a Hometown Feel

Syracuse offers the enthusiasm of a small sports town and the sophistication of a big city. Passion for Syracuse University athletics runs deep in the city that bleeds Orange.

The latest edition of the *Places Rated Almanac* includes Syracuse in the top 10 percent on the 'Best Places to Live' list.

There is something for everyone. Armory Square in the downtown area features coffee shops, a great music store, clubs and eateries. Outdoor enthusiasts enjoy the more than 50 state parks in the area, while art connoisseurs enjoy the area's 40 museums and galleries, including the nationally known Everson Museum of Art.

Syracuse hosts the Great New York State Fair, annually attracting more than one million people, and numerous music and cultural festivals throughout the year.

Junior Curtis Brinkley brings experience to the Orange backfield. In 2006, he gained 571 yards on 139 carries (4.1 yards per rush) and scored two touchdowns.

The 2007 Orange welcome back 10 starters from the 2006 squad, including six on offense and four on defense. Head coach Greg Robinson and his staff have experienced players at running back, wide receiver, tight end and on the offensive line. On defense, the Orange has depth on the line and at the safety position and needs to replace three starting linebackers and both starting cornerbacks. In addition, placekicker Patrick Shadle is returns, but Syracuse must replace All-BIG EAST punter Brendan Carney.

QUARTERBACK

"Coming out of Spring practice, Andrew is first-string quarterback and Cameron continues to work hard and develop," Robinson said. "In his 10 months in the program, Andrew has really grown and we believe that he has a lot of gifts and talents. We expect Cam, who has been in the program for two years, to continue to develop. It will be interesting to see how things get going in pre-season camp. I look forward to watching them compete."

Andrew Robinson (Sophomore, 6-3, 222)
Cameron Dantley (Junior, 6-1, 218)

RUNNING BACK

"Curtis is an experienced football player and he has had a lot of productivity here," Robinson said. "I look forward to him taking on the responsibility of being starting tailback. We also have Paul Chiara, who has experience at both tailback and fullback, and Jeremy Sellers, who is back to offense. Paul is a proven veteran player for us who has had success at times in the running game and the passing game. Training camp will have a lot to say about Jeremey's senior year. In addition, Derrell Smith returned to offense. He is a young player. I look forward to seeing how he can handle the role. We have to utilize all of the skills here to the best that we can. The tailback position is definitely a strength."

Daniel Bailey (Sophomore, 5-7, 167)
Curtis Brinkley (Junior, 5-9, 203)
Delone Carter (Sophomore, 5-10, 214)- Injured
Paul Chiara (Junior, 5-11, 210)
Jeremy Sellers (Senior, 6-0, 211)
Derrell Smith (Redshirt Freshman, 6-1, 225)

FULL BACK

"Tony Fiammetta established himself as a fullback who can carry the ball and do great job of blocking," Robinson said. "We also have Paul Chiara who takes reps at fullback."

Tony Fiametta (Junior, 6-1, 235)
Paul Chiara (Junior, 5-11, 210)

WIDE RECEIVER

"I see a more experienced and deeper receiving corps with speed, size and big-play potential," Robinson said. "I'd like it to become a real strength this season. We have experienced players in Taj Smith, Rice Moss, Mike Williams, Lavar Lobdell and Donte Davis. When you add Dan Sheeran, who we were impressed with as a redshirt freshman last year, to the mix, this group is a strength."

Donte Davis (Sophomore, 6-0, 169)
Lavar Lobdell (Sophomore, 6-3, 200)
Max Meisel (Senior, 5-4, 145)
Rice Moss (Senior, 6-2, 207)
Dan Sheeran (Redshirt Freshman, 6-3, 217)
Taj Smith (Senior, 6-1, 188)
Mike Williams (Sophomore, 6-2, 204)

TIGHT END

"We have experienced, seasoned group at tight end," Robinson said. "Jawad Nesheiwat and Tom Ferron played a ton for us last year and they are both good football players whom we are counting on. In addition, Arthur Kapalanga was also called upon last year and we will continue to rely on him. Tom made a huge step from his redshirt freshman to his sophomore year. During the off-season conditioning, his athleticism just continued to develop even more."

Kyle Bell (Senior, 6-1, 249)
Ryan Donnelly (Junior, 6-3, 222)
Tom Ferron (Junior, 6-3, 244)
Arthur Kapalanga (Senior, 6-1, 258)
Jawad Nesheiwat (Senior, 6-4, 251)

OFFENSIVE LINE

"I am pleased with the development made in the offensive line during Spring practice, but we still have to prove we are game ready," Robinson said. "I feel that the interior part of line is experienced and we should lean on them. The tackle position needs to solidify itself, but I did see growth in that area. There is depth on the line and there is competition across the board."

Ryan Bartholomew (Guard, Redshirt Freshman, 6-3, 290)
Tucker Baumbach (Tackle, Redshirt Freshman, 6-5, 322)
David Bouchard (Guard, Junior, 6-5, 305)
Corey Chavers (Tackle, Junior, 6-5, 295)
Ryan Durand (Guard, Junior, 6-5, 310)
Ryan Ehrie (Guard, Junior, 6-6, 287)
Lou Falzone (Tackle, Freshman, 6-5, 295)
Matthew Galka (Guard, Junior, 6-0, 305)
Carroll Madison (Guard, Senior, 6-2, 310)
Marvin McCall (Center, Senior, 6-2, 292)
Jim McKenzie (Center, Redshirt Freshman, 6-4, 280)
Jonathan Meldrum (Tackle, Freshman, 6-5, 327)
Larry Norton (Tackle, Senior, 6-3, 320)
Dalton Phillips (Guard, Junior, 6-3, 275)
Adam Rosner
(Tackle, Redshirt Freshman, 6-6, 308)

In 2006, the Orange defense ranked ninth nationally in turnover margin (+.92), ranked 19th in Division I-A in sacks per game (2.83) and tied for 22nd in the country in turnovers gained (+28). Against Miami (OH), Syracuse recorded eight sacks, which ties for third on the school's single-game record list. The Orange's 34 sacks in 2006 ties for fourth on the SU record list.

DEFENSIVE LINE

"We have a good amount of experience on the defensive line," Robinson said. "We worked hard during the Spring. The defensive line will be a strength of our defense. We are going to have to be creative to utilize all of the skills of this group."

Defensive Ends
Brandon Gilbeaux (Sophomore, 6-3, 271)
Jared Kimmel (Redshirt Freshman, 6-6, 252)
Andrew Lewis (Redshirt Freshman, 6-3, 282)
Jameel McClain (Senior, 6-1, 256)
Mike Owen (Sophomore, 6-4, 255)

Defensive Tackles
Tony Jenkins (Senior, 6-3, 286)
Arthur Jones (Sophomore, 6-4, 289)
Dan Pena (Junior, 6-2, 266)
Anthony Perkins (Redshirt Freshman, 6-4, 268)
Nick Santiago (Junior, 6-3, 302)

LINEBACKER

"Some might think there's a concern at linebacker, but there are a number of players who have been in program and been part of defense for quite some time," Robinson said. "The group went out and functioned very well as a unit in Spring ball. They are an athletic group. They have speed, intensity, toughness and a love of the game."

Parker Cantey (Redshirt Freshman, 6-3, 216)
Oliver Fernandez (Junior, 6-1, 220),
Jake Flaherty (Junior, 6-1, 228)
Vincenzo Giruzzi (Junior, 6-3, 232)
Ben Maljovec (Junior, 6-3, 223)
Elon Mitchell (Sophomore, 6-2, 232)
Mike Stenclik (Sophomore, 6-0, 225)

SAFETY

"**Dowayne Davis** is going to have a real fine senior year and **Joe Fields** has a lot of nice qualities about him," Robinson said. "Dowayne is a two-year starter who is taking his game to another level. He even moved over to corner for five days in Spring practice to see what he can do. I was impressed by his performance. He has done a good job of really understanding our defense. We have invested a lot in Joe and look forward to seeing the benefits of that investment we made last year as he switched from quarterback to safety (after 2006 Spring practice). Both Dowayne and Joe are fine leaders. A.J. Brown is someone we can count on at anytime and Bruce Williams made real strides in Spring ball in establishing himself as a person who can go in there and keep things rolling. We have good depth at this position. It will be a strong unit in our defense."

A.J. Brown (Junior, 6-0, 201)
Dowayne Davis (Senior, 6-0, 200)
Joe Fields (Senior, 6-1, 210)
Donta Herrod (Junior, 5-11, 191)
Derek Hrinya (Redshirt Freshman, 6-0, 202)
Andrew Taitt (Junior, 6-1, 191)
Bruce Williams (Junior, 6-0, 200)

CORNERBACKS

"Nick Chestnut has the most experience and he had a good Spring," Robinson said. "He has played a lot, both as a receiver on offense as a true freshman and then as a cornerback last year. Nico Scott definitely made his presence felt during Spring practice and Jason Tanner is developing well. It will be interesting to watch what happens as we work to replace two starters at corner."

Quinton Brown (Senior, 5-11, 180)
Nick Chestnut (Junior, 5-11, 184)
Shaton Clark (Junior, 5-9, 171)
Matt Reid (Freshman, 6-1, 165)
Nico Scott (Redshirt Freshman, 5-10, 180)
Jason Tanner (Senior, 5-11, 200)

SPECIAL TEAMS

"**Patrick Shadle** will be an outstanding player for us," Robinson said. "I like his consistency, work ethic and talent. He is working to improve his skills in a wholistic approach – not just kicking, but also in training, and establishing balance physically and mentally. Emotionally he is working hard to prepare himself. In that position – it's a lot like golf – so much is between the ears and having confidence in your skills. Patrick does a very good job of complete preparation. If he has the consistency he had last year, you are talking about one of the best kickers in college football. In the punter position, we have to replace a four-year starter in Brendan Carney. We are looking to see who will emerge at that spot."

John Barker (Placekicker, Junior, 5-8, 155)
Ian Hammond (Long Snapper, Senior, 6-3, 272)
Kyle Muir (Punter/Kicker, Sophomore, 6-3, 196)

2007 Coaching Staff

Greg Robinson Head Coach

Third year as Syracuse's head coach

A 1975 graduate of the University of Pacific

The appointment of Greg Robinson as Syracuse University's 27th head football coach on January 11, 2005, put the program in the hands of a mentor with Super Bowl rings and Bowl-game triumphs on his resume. Considered one of the top defensive minds in football, Robinson fit the characteristics Syracuse Director of Athletics Dr. Daryl Gross was looking for in a head football coach.

"Greg Robinson brings a winning attitude and championship football tradition to our program," Gross said when announcing Robinson's appointment. "He has had nothing but success in postseason games with four Rose Bowl rings, eight overall bowl victories in eight appearances and seven NFL postseason wins, including two Super Bowls."

The Carroll Connection

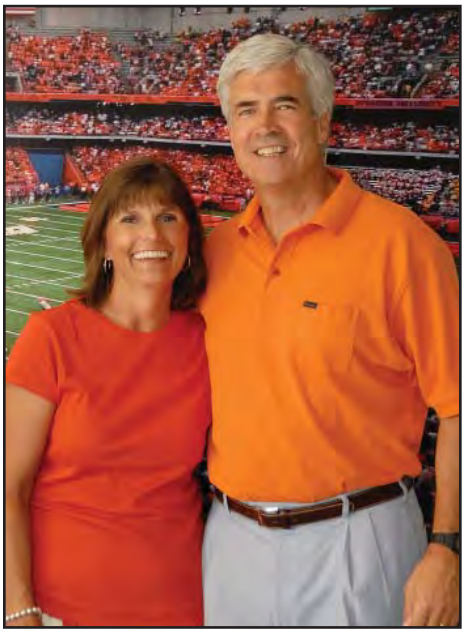
Robinson's development into a head coach at the major-college level came on a path that featured many shared rides with USC mentor Pete Carroll. The two grid bosses were teammates at Pacific and then served on the coaching staff together at their alma mater. After a few seasons at different posts they joined forces again in 1980 as assistants at North Carolina State. After their careers took different turns, the duo came together again in 1990 with the New York Jets. When Carroll was named head coach in 1994, Robinson was tabbed as defensive coordinator. Carroll gave strong recommendations of Robinson in 2004, when Texas hired him, and a year later when Syracuse came calling.

"Greg is really smart. He has been around great coaches and programs. Building on the Syracuse family is the right thing to do. Coming from the same foundation, it makes sense to us that you should include everybody. It should be fun and upbeat, and we should enjoy the heck out of this experience. And, in the meantime, just work like crazy – learn the work ethic that gives you a chance to be great. I know Greg is all about that. It gives you a chance to maximize the energy that you can generate for the whole team, program and fan base. Greg is going to do a fantastic job with his coaches and it will continue to be a program on the move."

— PETE CARROLL, USC HEAD COACH —

2007 Coaching Staff

Greg Robinson Head Coach



"It was a pleasure to be coached by a person like Greg, who took pride in technique and in the little details. Having a coach like that leading the way is what is going to propel Syracuse back to the forefront. The young guys should expect a coach who will do anything it takes to win and who wants to do the right thing and will coach and lead by example. His enthusiasm is second to none. It can only help to have somebody like him leading the way and mentoring the young players. I am excited about Syracuse football and the direction it is heading."

"Greg and his entire family are wonderful people. I have known Greg since he was a young assistant at UCLA. I believe in him. He and his staff are doing a great job. He will keep moving forward, keep building relationships with his players. The guys who leave Syracuse are going to appreciate having been in his program. They will appreciate Greg Robinson because they went through the tough times together in building the program to what it is now and what it will be. Syracuse is a great university and you have to be a student. I think he will get it done."

GAME 1

Syracuse	***10***
Wake Forest	***20***

September 2 at Groves Stadium • Winston-Salem, N.C.

Kelvin Smith

Senior linebacker **Kelvin Smith** led the Orange defense, setting career highs with 16 total tackles and 13 solo tackles, in a 20-10 loss at Wake Forest.

Senior quarterback **Perry Patterson** threw for 45 yards on 6-of-19 attempts through the air to move into sixth on the SU career passing yardage list (3,400). He also topped 300 completions for his career and raised his career total to 304, the sixth-most all-time.

Wake Forest struck first on offense. After a 53-yard punt by **Brendan Carney** that pinned the Demon Deacons inside their five, Wake Forest drove the ball 96 yards in 15 plays to take a 7-0 lead at the 6:21 mark of the first quarter. Wake Forest quarterback Benjamin Mauk capped the march with a 14-yard touchdown strike to Willie Idlette.

The Orange responded with an 86-yard drive that culminated in a 20-yard Patterson touchdown pass to **Rice Moss**. The touchdown pass was the 14th of Patterson's career, tying him for 10th all-time at Syracuse. It was Moss' first career touchdown reception.

In the second quarter, the Deamon Deacons reclaimed the advantage on a 22-yard field goal by Sam Swank with 5:24 left in the half to make the score, 10-7. After the teams traded possessions, SU tied the game on the first career field goal by **Patrick Shadle**, a 46-yard boot, with 50 seconds to go before halftime. It was the longest field goal for an Orange kicker since Collin Barber hit a 46-yarder against Buffalo in 2004.

In the second half, Syracuse cornerback **Tanard Jackson** intercepted a Mauk pass on Wake Forest's first drive to give SU possession on the Demon Deacons' 30-yard line. A Patterson fumble on the first play of SU's drive gave Wake Forest the ball.

Swank connected on another field goal with 4:37 to go in the third quarter to put the Demon Deacons in front, 13-10. Wake Forest started the drive on the SU 39 and picked up 17 yards on six plays to put Swank in position for the go-ahead kick.

With eight and a half minutes remaining in the game SU's **Nick Chestnut** jarred the ball loose from running back Kevin Harris. Jackson fell on it at the Orange 13-yard line to give SU possession. The SU offense picked up one first down, but was forced to punt and the Wake Forest offense put together a 10-play, 59-yard scoring drive that ate up 5:18 and ended on a 19-yard touchdown run by DeAngelo Bryant to seal the game.

GAME 2

#14/15 Iowa	***20***
Syracuse	***13*** *20T*

September 9 at the Carrier Dome • Syracuse

Terrell Lemon

Syracuse's bid to upset #14/15 Iowa was stopped at the one-yard line in the second overtime. The Hawkeyes defeated the Orange, 20-13, in two overtimes in front of 37,199 fans. Syracuse had first-and-goal at Iowa's two yard line, but could not break the plane to score a touchdown and send the game to a third extra period.

Senior quarterback **Perry Patterson** completed 21-of-38 passes for 210 yards. He moved into eighth on Syracuse's career total offense record list and moved into fifth with 619 career attempts. The defense picked off four Iowa passes, the most since 2004 against Cincinnati when SU also recorded four interceptions. Senior cornerback **Terrell Lemon** registered the first two interceptions of his career, while senior linebacker **Jerry Mackey** and sophomore safety **A.J. Brown** each posted their first career picks. Senior linebacker **Kelvin Smith** led SU's defense with 13 tackles.

Syracuse started off strong, scoring a touchdown on a 15-play, 78-yard opening drive. Patterson connected with junior **Taj Smith** to give the Orange an early 7-0 lead. The touchdown pass was the 15th of Patterson's career, breaking a tie with Chuck Zimmerman and Rick Cassata for 10th in school history.

Iowa tied the game at seven when quarterback Jason Manson, who started in place of an injured Drew Tate, connected with tight end Scott Chandler for the three-yard touchdown with 5:32 remaining in the second quarter.

On Syracuse's opening drive of the second half, the Orange moved the ball to the Iowa 45-yard line before the drive stalled. Syracuse punter **Brendan Carney** attempted a fake punt, but was tackled for a 10-yard loss. On the next play, Lemon made the first of his two interceptions in the game.

After a Syracuse punt, Manson connected with Herb Grigsby on a slant that turned into a 44-yard recepetion. Syracuse safety **Joe Fields** made a diving tackle at the SU 14-yard line that helped the defense hold the Hawkeyes to a field goal. The kick gave Iowa a 10-7 advantage with 22 seconds remaining in the third quarter.

After sophomore kicker **Patrick Shadle** missed a potential game-tying 45-yard field goal, Iowa held the ball until 32 seconds remained in the regulation. Syracuse quickly marched into Iowa territory and Shadle hit the game-tying 41-yard field goal with six seconds on the clock. Carney fielded a bad snap and got it down in time for Shadle to tie the game.

Syracuse began on offense in the first overtime and drove to the Iowa three-yard line before stalling and settling for Shadle's 19-yard field goal. The SU defense stopped Iowa's offense, forcing two incomplete passes on the five-yard line and then a field goal to tie the game.

Iowa began the second overtime on offense and Albert Young scored on a one-yard touchdown run on IU's third play.

The Orange recorded two first downs to get the ball to Iowa's five yard line and then two Iowa pass interference calls placed the ball at the two-yard line. Syracuse did not score on four rushing attempts.

GAME 3

Syracuse 31
Illinois 21

September 16 at Memorial Stadium • Champaign, Ill.

Taj Smith

Syracuse returned two fumbles for touchdowns and quarterback **Perry Patterson** matched a career high with two touchdown passes to lead the Orange to a 31-21 victory.

The Orange opened the scoring on its third offensive drive. Syracuse faced a third-and-five in Illinois' territory when Patterson rushed for six yards before being drilled and fumbling the football. Wide receiver **Taj Smith** picked up the ball and advanced it 41 yards for the first touchdown of the game. It was the first time that a Syracuse player returned a fumble for a touchdown since 2003 when Steve Gregory scored on a seven-yard return against Pittsburgh.

Illinois scored on its next drive, a 15-play, 76-yard march. Illini quarterback Tim Brasic rushed for a five-yard touchdown to tie the game at seven.

Syracuse quickly reclaimed the lead when Patterson connected with Smith for a 65-yard touchdown pass. The catch was the longest of Smith's career and it was the longest touchdown pass by Syracuse since Patterson connected with Damien Rhodes for 68 yards against Cincinnati in 2004.

Illinois drove down to Syracuse's 30-yard line on the following drive, but four penalties forced its offense into a third-and-long. Safety **A.J. Brown** intercepted Brasic's pass, recording a pick in his second-straight game. The Orange entered halftime with a 14-7 lead.

Syracuse capitalized on another Illinois mistake to open the third quarter. On Illinois' second offensive play, defensive end **Jameel McClain** forced a fumble and linebacker **Jerry Mackey** scooped it up and returned it 15 yards to give Syracuse a 14-point lead.

On SU's first offensive drive of the quarter, Patterson connected with **Tom Ferron** for a 16-yard touchdown to give the Orange a three-score advantage. It was Ferron's first-career touchdown grab and Patterson's 17th career touchdown pass, moving him past Todd Philcox for sole possession of ninth in school history.

Syracuse extended its lead to 24 points when kicker **Patrick Shadle** connected on a 36-yard field goal with six seconds remaining in the third quarter.

Illinois scored two late touchdowns to pull within 10, but its final attempt at victory ended when **Paul Chiara** recovered an on-side kick.

Smith set career highs with five catches for 106 yards. Running back **Curtis Brinkley** led the team and recorded a then personal best with 69 rushing yards on 18 carries, while running back **Delone Carter** rushed for 63 yards on 19 attempts.

Linebacker **Kelvin Smith** led the Orange defense with seven tackles and cornerback **Terrell Lemon** added six. SU's defense recorded five sacks.

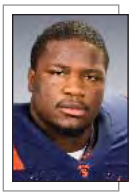
Syracuse 34

September 23 at the Carrier Dome • Syracuse



Jameel McClain

The Orange won its second consecutive game with a 34-14 dismantling of Miami University in front of 35,274 fans at the Carrier Dome. The SU defense registered eight sacks, tied for the third-highest single-game total in school history.

The Orange swarmed Miami quarterbacks Mike Kokal and Daniel Raudabaugh the entire game. Safety **Joe Fields** recorded the first sack of his career on the game's opening play, and **Jameel McClain** registered two sacks in the opening quarter. Defensive tackle **Tony Jenkins** led the SU defense with a career-high eight tackles, including half a sack and two stops for a loss. Defensive end **Cornelius Campbell** also recorded a personal best with two sacks. The defense held the RedHawks to a season-low 31 yards rushing on 29 attempts.

The Orange rolled up more than 300 yards of total offense for the second straight game (315 yds.). **Perry Patterson** threw for 163 yards on 14-of-20 passing and two touchdowns. With the two touchdown throws, Patterson moved into a tie for seventh on SU's career touchdown passes list with Pat Stark (1951-53) and Bill Hurley (1975-79) with 19 career TD throws.

Curtis Brinkley led the Orange ground attack and rushed for a career-high 108 yards on 15 carries and one touchdown in the contest. **Delone Carter** carried 11 times for 71 yards. **Rice Moss** caught an eight-yard pass in the second quarter, extending his consecutive games with a catch streak to 16.

SU jumped on the RedHawks early, scoring on its first two offensive possessions. On the Orange's first drive, Brinkley ran four times for 39 yards and went up and over the pile from one yard out to give the Orange a 6-0 lead at the 10:02 mark of the first quarter. It was Brinkley's first career touchdown and the play capped a seven-play, 55-yard drive.

After the Orange defense forced an MU three-and-out on the ensuing possession, Patterson went for it all on first down and connected with junior receiver **Taj Smith** for a 52-yard touchdown strike to put SU in front, 13-0, with 7:32 to play in the opening quarter. The touchdown was Smith's fourth of the season and marked his third consecutive game with a TD catch. SU's two first-quarter touchdowns marked the fourth straight game it hit pay dirt in the opening period.

The Redhawks got the scoreboard on the first play of the second quarter when Kokal hit Ryne Robinson for a nine-yard touchdown strike six seconds into the period to put the finishing touches on a 10-play, 60-yard scoring march.

On Miami's next possession, senior linebacker **Kelvin Smith** blocked a field goal attempt to preserve SU's 14-7 margin. SU extended its lead to 17-7 on a 36-yard Shadle field goal with 9:15 remaining in the third.

The Orange put the icing on the victory with 17 points in the fourth quarter, including touchdowns by tight end **Jawad Nesheiwat**, a 33-yard field goal, and sophomore **Ben Maljovec's** interception return for a touchdown.

Wyoming 34
Syracuse 40 *20T*

September 30 at the Carrier Dome • Syracuse

Delone Carter

Delone Carter rushed 20 times for a career-high 129 yards, four touchdowns and scored both SU touchdowns in overtime as Syracuse defeated Wyoming, 40-34, in double OT in front of 38,447 fans at the Carrier Dome.

Carter became the first SU running back since Damien Rhodes against Buffalo in 2005 to rush for four touchdowns. Carter's 129 yards was the most in school history by a true freshman, breaking Rhodes' mark of 82 yards in 2003. His four TDs tied him for fourth on Syracuse's single-game touchdowns ledger.

Carter's final touchdown, a 15-yard run, on SU's second overtime possession provided the winning points. He also carried twice for the Orange in the first overtime and scored on a 16-yard touchdown run. Wyoming's Wynel Seldon scored on a 14-yard run to send the game to the second overtime.

Syracuse defensive end **Jameel McClain** and the Orange defense stopped the Cowboys' attempt on a fourth-and-one on UW's possession in the second overtime.

In the first quarter, kicker **Patrick Shadle** scored the only points, connecting on a 43-yard field goal to give SU a 3-0 lead. Wyoming responded with an 80-yard touchdown drive to take an early 7-3 lead in the second quarter.

The Orange took advantage of a Wyoming fumble in the second quarter, driving 21 yards and scoring when **Perry Patterson** connected with **Tom Ferron** for a 19-yard touchdown. Wyoming scored a field goal with time running out in the second quarter to tie the game at 10.

Wyoming struck first in the second stanza, scoring on a six-yard touchdown pass. The Orange quickly responded as **Curtis Brinkley** returned the ensuing kick 40 yards to set up Carter's first touchdown run of the afternoon.

The two teams traded field goals in the fourth quarter. Senior **Terrell Lemon** forced his school-record third fumble of the game to setup Shadle's field goal.

After a punt return and a Cowboys' personal foul penalty, SU started its next drive at Wyoming's 14. Two plays later, Carter rushed 13 yards to give the Orange a 27-20 advantage.

Safety **Joe Fields** intercepted his first career pass on Wyoming's ensuing drive. After Syracuse punter **Brendan Carney** pinned the Cowboys at their own eight-yard line, Wyoming put together a 14 play, 92-yard drive that ended with a 15-yard touchdown pass with five seconds remaining to send the game into overtime.

Senior linebacker **Kelvin Smith** led the Orange defense with 13 tackles and six different players recorded a sack.

GAME 12

Syracuse 7
#15/16 Rutgers 38

November 25 at Rutgers Stadium • Piscataway, N.J.

Andrew Robinson

Running back **Curtis Brinkley** led the Orange offense, rushing for 51 yards on 12 carries, in a 38-7 loss at #15/16 Rutgers. Quarterback **Perry Patterson** completed seven-of-16 passes for 49 yards in his final game at Syracuse. He finished the year ranked second on SU's single-season chart for pass attempts, fourth in completions and tied for ninth in touchdown passes. Quarterback **Andrew Robinson** took over for Patterson and completed all three of his passes for 20 yards and one touchdown.

Safety **Joe Fields** led the Orange with 10 tackles. Linebackers **Kelvin Smith** and **Jerry Mackey** each added nine tackles in their final game.

Rutgers took the opening kick and returned it for an apparent touchdown. However, an illegal block penalty brought the ball back to the Rutgers 12-yard line. The Orange had a chance to force a three-and-out but a personal foul penalty kept the Scarlet Knights drive alive. Six plays later, Rutgers' Ray Rice ran it in for a touchdown from 10 yards out.

On Syracuse's first drive, Patterson was hurried and the Scarlet Knights' Courtney Greene intercepted the tipped pass. On RU's first play of the possession, quarterback Mike Teel connected with Kenny Britt for a 38-yard touchdown and a 14-0 lead.

Rutgers struck again in the second quarter. Teel and Britt connected again for a 28-yard touchdown to cap a seven-play, 51-yard drive as the Scarlet Knight claimed a 21-0 advantage.

Rutgers opened the scoring in the second half as fullback Brian Leonard ran the ball in from two yards out. Rutgers added a field goal to extend its lead to 31-0.

Robinson took over on offense on the following drive. During the drive, he eluded the rush and marched the Orange into Rutgers' territory, running the ball four times for 35 yards. Robinson then completed his first collegiate pass, catching his own pass for a four-yard gain. Two plays later, Robinson connected with **Jawad Nesheiwat** for a 14-yard touchdown. It was the first career touchdown for Robinson and it was a personal-long reception for Nesheiwat.

Rutgers added another touchdown late in the game as Leonard scored from two yards out with eight seconds remaining. Leonard finished the game with 106 yards and two touchdowns on 19 carries.

Tight end **Tom Ferron** and wide receiver **Rice Moss** led the Orange with two receptions for 16 yards. Ferron ended the year with 30 catches, tying him with Tony Gabriel for second in school history for receptions by a tight end in a season.

The coaches' poll was a service of United Press International from 1950 to 1990. The poll ranked the top 20 teams in the nation until 1990, when it was converted to a top 25 format. From 1991 to 1996, the coaches' poll has been run by USA Today/CNN, which formerly had its own writers'/ broadcasters' poll. In 1997, USA Today joined with ESPN to sponsor the coaches poll.

Davis thus became the first African-American and the only Syracuse player to win the coveted award. He died of leukemia in 1963, never getting the chance to realize his dream of teaming up with former SU great Jim Brown in the Cleveland Browns' backfield. Davis' trophy is kept on display in the Iocolano-Petty Football Wing.

SUCCESS STORIES

Wilmeth Sidat-Singh

One of the greatest student-athletes in Syracuse University history, Wilmeth Sidat-Singh '39 was also an individual of extraordinary courage. Sidat-Singh starred for the Orange football and basketball squads, despite being subjected to racial bias. After earning his degree in zoology from SU, Sidat-Singh played professional basketball. The NFL ban on African-American players eliminated pro football as an option.

The University honored the memory of Sidat-Singh by retiring Singh's #19 basketball jersey in 2005.

In 1943, Sidat-Singh passed the entrance exam for the U.S. Army Air Corps and was assigned to the segregated armed forces' only pilots training program for African Americans: the Tuskegee Airmen. Just days after earning his pilot's wings, Sidat-Singh was on a training mission, when the engine of his P-40 failed, forcing him to parachute into Lake Huron. His body was found a week later. First Lieutenant Wilmeth Sidat-Singh, U.S. Army Air Corps, is buried at Arlington National Cemetery.

"Wilmeth Sidat-Singh was a pioneer in everything that he did," said SU Assistant Vice President for Program Development Larry Martin. "He was a remarkable individual, a two-sport star and an outstanding student. Until now, his story has only been known to a few."

An All-New York City basketball player at DeWitt Clinton High School, Sidat-Singh led his Bronx team to the Public School Athletic League (PSAL) city championship in 1933-34. Despite his talent and credentials, Syracuse University was the only school to offer him a scholarship. At SU, the six-foot, 190-pound Sidat-Singh led the Orange to three straight winning seasons.

A hero and leader on campus, Sidat-Singh also joined the football team in his sophomore year after assistant coach Roy Simmons Sr. spotted him throwing a 55-yard pass, flat-footed, in an intramural game. He was subject to the indignities plaguing many African-Americans when the Orange traveled to southern states to play. Officials from some of the schools SU traveled to play prevented Sidat-Singh from playing, citing segregation laws. He was banned from the 1937 game at Maryland, which the Orange lost 13-0. One year later, when the teams met in Archbold Stadium, Sidat-Singh helped SU to a 53-0 triumph against the Terrapins. He played halfback in Syracuse's single-wing offense, a position similar to today's quarterback.

In an article for The Syracusan magazine, Don Hallock '38 described the pre-med zoology major as "an omnivorous reader...more interested in a sheepskin than a pigskin."

Sidat-Singh's Syracuse football teammates included Hugh "Duffy" Daugherty '39, the storied head coach at Michigan State, and Marty Glickman '39, the radio voice of New York City sports for half a century. In 1938, legendary sportswriter Grantland Rice came to Syracuse to scout Rose Bowl-bound Cornell. After watching Sidat-Singh engineer a stunning 19-17 upset for Syracuse — including six passes for 150 yards and 3 touchdowns in the final 9 minutes — Rice ranked Sidat-Singh with Sid Luckman and Sammy Baugh, the greatest throwing arms of the era.

After graduation, Sidat-Singh played with the Syracuse Reds, one of the few racially integrated professional basketball teams of the barnstorming era. On December 1, 1939, the Reds defeated the Original Celtics 40-37 in Watertown, New York. Sidat-Singh scored 14. A year later, he joined the Harlem Renaissance (or "Rens"), the most famous of the African American barnstorming teams.

Sidat-Singh was born Wilmeth Webb, the son of Elias Webb, a Washington pharmacist, and Pauline Webb. Both of his parents were African Americans. Elias Webb died when Wilmeth was a child. Pauline Webb then married Dr. Samuel Sidat-Singh, then a medical student who had come to the United States to study at Howard University. Dr. Sidat-Singh adopted Wilmeth and moved the family to West 135th Street in Harlem, where he practiced family medicine for many years.

James Cassata handed the ball to three great Syracuse backs in 1966 – Floyd Little, Tom Coughlin and Larry Csonka.

1936
Vic Hanson concluded his SU coaching tenure with a seven-year record of 33-21-5.

1937
Ossie Solem succeeded Hanson as head coach. He brought with him an assistant by the name of Charles (Bud) Wilkinson, who later established a dynasty at Oklahoma. Wilkinson was inducted into the College Football Hall of Fame in 1969.

1938
Wilmeth Sidat-Singh, one of the first African-American quarterbacks to play college football, led SU to a stunning 19-17 comeback win against Cornell. Among Sidat-Singh's teammates were Olympic sprinter and legendary sports announcer Marty Glickman and the great Michigan State coach Hugh "Duffy" Daugherty. Sidat-Singh's SU basketball jersey was retired in February, 2005.

1939
Syracuse set a defensive team record as the Orange defense held opponents to a 33.3 percent pass completion rate through the season.

1940
Under head coach Ossie Solem, SU beat NYU, 47-13, on October 12th. The game was played in Yankee Stadium in the Bronx in front of 8,000 people.

1941
The Syracuse special teams unit set a school record as it accumulated 662 punt return yards.

1942
Winning the first five games of the season, the Orange were ranked as high as 15th as it went on to finish with a 6-3 record.

1943
Syracuse University suspended intercollegiate sports due to World War II.

1944
The Orange finished with a 2-4-1 record, including a game against Boston College at the well-known Fenway Park in Boston.

1945
Ossie Solom concluded his eight-year SU coaching stint, guiding the Orange to a 1-6 record. He had a 30-27-6 overall record.

1946
Future College Football Hall of Fame coach Clarence L. "Biggie" Munn served as the Orange head coach. Munn went on to coach at Michigan State. A member of Munn's coaching staff, Hugh "Duffy" Daugherty, was also inducted into the College Football Hall of Fame, in 1984.The Orange program enjoyed its 300th overall win, a 28-7 victory against Temple.

117 Years of Syracuse Football

1947
Reaves Baysinger became head coach and promptly changed the Orange's uniform from a blue jersey with orange numbers to white to go along with the khaki moleskin pants. He led SU to a 3-6 record.

1948
In the final year for head coach Reaves Baysinger, the Orange posted a 1-8 record.

1949
Ben Schwartzwalder was hired as head coach after the Orange had just completed its fifth straight losing season. That stretch is still the longest in SU history.

1950
With three interceptions against Penn State, Avatus Stone set the school record for most pass interceptions in one game. Two others (Tommy Myers, 1970, and Markus Paul, 1985) have since tied that mark.

1951
In a game against LaFayette, the Orange defense forced a Syracuse-record nine turnovers.

1952
Tackle Robert Fleck earned All-America honors, leading Syracuse to a 7-2 record and its first bowl invitation. SU lost to Alabama, 61-6, in the Orange Bowl. Future Professional Football Hall of Fame center Jim Ringo concluded his three-year SU career.

1953
Robert Fleck moved to guard and earned his second consecutive All-America award as the Orange finished 5-3-1 during head coach Ben Schwartzwalder's fifth season at the helm.

1954
A halfback from Long Island, well down on the pre-season depth chart, was issued jersey number 44. His name was Jim Brown.

1955
The Syracuse defense shined as it only allowed 35 pass completions on 95 attempts – still SU records for the fewest completions and attempts by opponents in SU football history. Against Army, the Orange did not allow a completion.

1956
With a bowl bid on the line in the regular season finale versus Colgate, Jim Brown scored an NCAA record 43 points in SU's 61-7 victory. The Orange finished the regular season with a 7-1 record, earning an invitation to the Cotton Bowl, where it lost to TCU, 28-27. Brown broke the SU rushing record with 986 yards and earned first team All-America honors. He went on to a hall of fame career with the NFL's Cleveland Browns after he was the sixth overall selection by Cleveland in the 1957 NFL Draft. In 1995, Brown was inducted into the College Football Hall of Fame.

1957
Syracuse recorded the 300th win in the program's history with a 26-9 victory against Nebraska.

1958
Tackle Ronald Luciano earned All-America honors, leading the Orange to an 8-2 record and an Orange Bowl appearance. SU lost to Oklahoma, 21-6.

1959 • NATIONAL CHAMPIONS
Undefeated, untied, and national champions, the Orange capped off an 11-0 season with its first bowl win, a 23-14 victory against Texas in the Cotton Bowl. Syracuse enjoyed its finest time on the gridiron, pulverizing its foes both offensively and defensively. The defense allowed a mind-boggling 193 yards rushing in 10 games. On offense, the Orange averaged 451 yards per game. Three SU student-athletes earned All-America honors, including guard Roger Davis, end Fred Mautino and tackle Robert Yates. Davis was the seventh overall selection by the Chicago Bears in the 1960 NFL Draft.

1960
Ernie Davis earned the first of two All-America awards playing halfback for the 7-2 Orange. The Philadelphia Eagles selected fullback Art Baker with the 14th overall pick in the 1961 NFL Draft.

SUCCESS STORIES

The Road to Canton is Orange

Forty-three points in one game, 25 career touchdowns, 2,167 total offensive yards. Those are only his college football statistics. Jim Brown is without question the finest athlete ever to compete for Syracuse University. Brown did not just play football — he lettered in track and basketball and was a lacrosse All-American, too.

Brown excelled off the fields as well. He trained with the R.O.T.C., served as a Class Marshall for the College of Liberal Arts and visited elementary schools. A class assignment asked youngsters to write about whom they admired most; one-third of the class chose President Eisenhower and two-thirds chose #44, Jim Brown.

Brown was the first to make #44 famous, and set the precedent of success for the #44's to follow. Brown's record of 43 points in a game was untouched for 34 years. Brown led the nation in rushing with a 6.2 yard average in 1956 and led SU to the Cotton Bowl. Brown scored three touchdowns, kicked the ensuing PATs and was named the 1956 Cotton Bowl outstanding back.

His success at Syracuse led to Brown's 1995 induction into the College Football Hall of Fame — 38 years after graduating. Selection to the College Football Hall is special. Brown has won many other football and collegiate awards, but the College Football Hall was almost elusive. Brown made his entrance to Professional Football Hall of Fame in Canton in 1971, his first year of eligibility, and to the Lacrosse Hall of Fame in 1984. He is the only man in all three Halls of Fame. In 1982, he won the NCAA Silver Anniversary Award, given to former student-athletes who have made significant contributions to the community.

Not until 1995 was Brown chosen to join Larry Csonka as the only Orange in both the College and Pro Football halls. Only 63 players, and just five fullbacks, are in both halls. There are 13 other Orange representatives in the College Hall in South Bend, Ind., including Ernie Davis, Floyd Little, Tim Green and Coach Ben Schwartzwalder. Brown's latest honor, as described by retired SU Athletics Director Jake Crouthamel, "fills the plate in acknowledging Jim's prowess as an athlete."

Brown is currently working with Amer-I-Can, a nation-wide program he developed that aims to improve the life-management skills of inner city youngsters. Amer-I-Can teaches kids "everything they didn't learn at home or at school."

Ernie Davis won the Heisman Trophy, becoming the first African-American to receive college football's most prestigious award. Along the way, he broke Jim Brown's SU career rushing record and closed his career by leading the Orange to a Liberty Bowl win against Miami. Less than two years later, Davis died of leukemia. Davis was the top pick in the 1962 NFL Draft by the Washington Redskins (who traded his rights to Cleveland) and in the 1962 AFL Draft by the Buffalo Bills. In 1979 Davis was enshrined in the College Football Hall of Fame.

1962
Ben Schwartzwalder was on the East coaching staff for the Coaches All-American game that included two of his players, Ernie Davis and John Brown. End Walt Sweeney was a first-round selection by the AFL's San Diego Chargers in the 1963 draft.

1963
The Orange finished the season ranked 12th in the coaches poll with an 8-2 record. John Mackey begins his NFL career as a tight end for the Baltimore Colts, where he eventually played in two Super Bowls. In 1992, Mackey was inducted into the Professional Football Hall of Fame.

The Legend of Archbold Stadium

Upon its completion in 1907, Archbold Stadium was touted as the "Greatest Athletic Arena in America." Designed to resemble the Roman Coliseum and to never become outdated, Archbold Stadium was a trademark of Syracuse Orange football.

"Athletic contests may come and go but the recently completed concrete stadium at Syracuse University will endure forever," stated Dr. Charles Burrows of Technical World Magazine upon viewing Archbold Stadium in 1909.

From 1907 until 1978 the Orange battled for victory inside the walls of Archbold Stadium. It served as the site for many thrilling Orange victories, numerous record-breaking performances – and even a few heart-breaking defeats. But the history of this legendary stadium begins with the vision of generosity of a single man.

John D. Archbold's gift of $600,000 to the University in 1905 made stadium construction a reality. Archbold was the vice president of Standard Oil and the president of SU's Board of Trustees from 1892 until his death in 1916. The stadium bared his name.

Construction of the stadium began in September of 1906 and was completed only ten months later. A natural hollow on the west side of the SU campus provided the perfect site (the Carrier Dome currently occupies this area). Archbold Stadium was situated at a great height, which granted fans of that day a clear view of downtown Syracuse, Onondaga Lake and the beautiful Onondaga Valley.

The stadium's front entrance defined the character of Archbold. Located on the west end, the main entrance consisted of an impressive 40-foot cement arch and two epic towers, which extended high above the archway. On the north side of the stadium, Archbold's bowl-like design enabled fans to arrive in horse-drawn carriages and enter directly at the promenade level.

Upon its completion, critics believed the stadium was impractical and argued that it would never be filled. Originally designed to accommodate a crowd of 20,000, Archbold rarely reached capacity in its initial years. But, twice that number squeezed into the stadium in the 1950s and 1960s. In the end more than six million fans attended the classic stadium to watch football, and past critics were silenced.

In addition to providing the university and its fans with an aesthetically beautiful stadium, Archbold granted the Orange football team a distinct home field advantage. The Orange went 265-112-20 all-time at Archbold. From 1915 to 1927, Syracuse achieved a home record of 61-10-6. Then, during the 11-year stretch from 1958-1968, SU won 47 and lost only 6 games played at Archbold.

For 71 years Archbold Stadium treated fans to the best that collegiate football had to offer. It began in 1907 with the 'sound drubbing' of Hobart, 28-0. It ended in 1978 with an incredible 20-17 victory against nationally-ranked Navy.

In the final game played at Archbold Stadium, it was a freshman named Joe Morris who stole the show. Facing a tough Navy defense, Morris carried the ball 31 times for 203 yards. Morris helped the Orange upset second-ranked Navy, 20-17. And more importantly, the Orange sent Archbold Stadium out in style.

1964
Sophomore half back Floyd Little, who was recruited to SU by 1961 Heisman Trophy winner Ernie Davis, earned All-America honors in his first season. Center Patrick Killorin also earned All-America honors. The program celebrated it's 400th win -- a 38-6 victory against Kansas.

1965
All-Americans Floyd Little (halfback), Charles Brown (defensive halfback) and Patrick Killorin (center) led the Orange to a 7-4 record, including a 13-10 loss to Louisiana State in the Sugar Bowl. The Tigers kicked a field goal with 3:50 left in the game for the victory. In the loss, Jim Nance rushed for 70 yards, while Little had 46.

1966
Halfback Floyd Little and fullback Larry Csonka, the greatest 1-2 running punch in Orange annals, led the team to an 8-3 record and a Gator Bowl berth. Little set an SU bowl game record with 216 yards and Csonka added 114, in the 18-12 loss to Tennessee. Little, Csonka and tackle Gary Bugenhagen earned All-America honors. The AFL's Denver Broncos selected Little with the sixth overall pick in the 1967 league draft. In 1983 Little was inducted into the College Football Hall of Fame, an honor followed by his 1987 enshrinement in the Professional Football Hall of Fame.

1978
Joe Morris set the record for most consecutive 100-yard games in a season with four. He also set the freshman rushing record (1,001 yards). In the final game in Archbold Stadium, the Orange recorded a 20-17 victory against nationally-ranked Navy. SU had a 265-112-20 record in Archbold Stadium.

1979
With the razing of Archbold Stadium and the construction of the Carrier Dome, SU spent the entire season on the road, playing "home" games in the Meadowlands, Buffalo and Ithaca. Despite the obstacles, future NFL players Joe Morris, Art Monk, Bill Hurley, Craig Wolfley, Gary Anderson and Jim Collins led SU to its first bowl berth since 1967. Monk earned All-America honors for his effort as a wide receiver and was the 18th overall selection in the NFL Draft by the Washington Redskins.

117 Years of Syracuse Football

Sept. 20 marked the beginning of a new era with the opening of the Carrier Dome. Joe Morris scored four touchdowns and had a record 300 all-purpose yards as the Orange christened its new home with a 36-24 win against Miami of Ohio. An all-time Syracuse record crowd of 50,564 witnessed the event.

Auburn's Win Lyle kicked a last second field goal to pull out a 16-16 tie, the first deadlock in Sugar Bowl history. SU's sensational quarterback Don McPherson finished second in the Heisman race, but earned several other player of the year and All-America honors. In addition, nose guard Ted Gregory was named an All-American and was the 26th overall selection in the 1988 NFL Draft by the Denver Broncos.

Defensive back Markus Paul was selected as an All-American, marking the second of six consecutive years the Orange was represented in this elite group.

Syracuse football observed its 100th birthday and earned a then-record third-straight bowl invite. This time the Orange hit a last minute field goal, by John Biskup, to edge Georgia, 19-18, in the Peach Bowl and cap off an 8-4 season. Center John Flannery and wide receiver Rob Moore earned All-America honors. Moore entered his name in the 1990 NFL supplemental draft and was selected first by the New York Jets.

1990
The Orange finished the regular season with a 7-4-2 record and an invitation to the Aloha Bowl in Honolulu. SU put the finishing touches on its fourth-straight bowl by shutting out Arizona, 28-0, behind freshman quarterback Marvin Graves. The Wildcats had not been shut out in 20 seasons (214 games), the second longest streak in NCAA history. Center John Flannery was named an All-American for the second year in a row.

1991
Paul Pasqualoni replaced Dick MacPherson as head coach and SU joined The BIG EAST Football Conference. Pasqualoni led the Orange to a 10-2 record, a perfect 5-0 Big East record, and a 24-17 win against Ohio State in the Hall of Fame Bowl on New Year's Day. The 10 wins for a rookie coach has been surpassed just five times in the history of major college football. Qadry Ismail became SU's first-ever All-American in the kick return position.

1992
Pasqualoni and the Orange again won 10 games and made SU's second straight New Year's Day bowl appearance, knocking off Colorado, 26-22, at the Fiesta Bowl in Tempe. It was the fifth-straight bowl win for Syracuse, the second-best streak in the country behind Florida State. Tight end Chris Gedney was a unanimous All-America selection.

Syracuse's All-Century Team

Syracuse University's All-Century team features a Heisman Trophy winner, four College Hall of Famers, and four members of the National Football Foundation Hall of Fame.

"The number of players chosen was based on SU's fabled Number 44. That number was worn by the great running backs from the glory days of the mid-1950's to the mid 1960's, that included Hall of Famer Jim Brown, Heisman Trophy winner Ernie Davis and three-time All-American Floyd Little," said SU Director of Athletics Jake Crouthamel. "It is the most famous number in Syracuse sports history."

The All-Century Team includes players from eight different decades, including several contemporary Syracuse standouts now showcasing their talents in the NFL. Donovan McNabb, Kevin Johnson, and Donovin Darius are just part of a list that also includes Rob Burnett and Qadry Ismail, members of the Super Bowl XXXV Champion Baltimore Ravens.

"Being selected to this elite team typifies the tremendous success that SU football has achieved throughout the 20th century. Some of these athletes are among the greatest to ever play college football. It was an honor for us to recognize their talents and contributions at our final home game of the century," Crouthamel said.

Members of the All-Century Team were honored at the November 6, 1999 game against Temple.

In 1995, Marvin Harrison caught 56 passes for a school-record 1,131 yards. He also excelled on special teams, earning All-America accolades and BIG EAST Special Teams Player of the Year.

1993
Another year, another winning season as the Orange finished with a 6-4-1 overall record for its seventh straight winning season. Breaking records was a regular occurrence during the campaign. Marvin Graves set new marks in almost every passing and total offensive category, while Shelby Hill, Pat O'Neill and Kevin Mitchell also left their names in the Syracuse record books.

1994
In keeping with the tone in the recent past, the Orange recorded an eighth straight winning season, finishing 7-4 overall. The passing combination of Kevin Mason to Marvin Harrison was prominent throughout the year, while the return of linebacker Dan Conley for a sixth season of competition after numerous knee surgeries was a story of perseverance and dedication.

1995
A young Syracuse team posted a 9-3 season and a victory in the Toyota Gator Bowl. The emergence of Donovan McNabb from a crowded young quarterback battle and his immediate chemistry with receiver Marvin Harrison provided thrills and records, as Harrison established himself as one of the all-time great receivers and kick returners at Syracuse, earning All-America honors as a kick returner. The receiver was the 19th overall player selected in the 1996 NFL Draft, taken by the Indianapolis Colts. Defensively, cornerback Kevin Abrams was an All-American.

1996
Despite getting off to an 0-2 start, the Orange won a share of The BIG EAST Conference title and once again was among the nation's elite. A mid-season eight game win streak earned the Orange another post-season berth. Syracuse beat Houston in the Liberty Bowl for its seventh-consecutive bowl victory, which was the nation's longest active bowl win streak at the time. Cornerback Kevin Abrams earned All-America honors for the second year in a row.

1997
Syracuse won its first-ever outright BIG EAST championship, clinched by a triumphant 33-18 victory at Miami. After opening the season with a 34-0 victory against Wisconsin in the Kickoff Classic, the Orange lost three straight games. SU then defeated Tulane to ignite an eight game winning streak. The Orange played its first overtime game in school history, against North Carolina State in the Dome. A 35-18 loss to Kansas State in the Fiesta Bowl did not detract from the fact that the Orange was one of six teams to earn a Bowl Alliance bid. Free safety Donovin Darius was an All-America selection.

1998
SU started the season hosting eventual national champion Tennessee. After a 34-33 loss, the Orange defeated defending national champion Michigan in Ann Arbor the following week, 38-28. From there, SU went 7-3, winning its second outright BIG EAST title, and third in a row. SU earned a Bowl Alliance bid, facing Florida in the Orange Bowl. Donovan McNabb was selected with the second overall pick by the Philadelphia Eagles in the 1999 NFL Draft, the highest spot ever for a Syracuse quarterback. Kick returner Kevin Johnson earned All-America honors.

117 Years of Syracuse Football

Dwight Freeney etched his name in the Syracuse record book during the 2001 season. He set single-season records with 17.5 sacks, 25.5 tackles for loss and eight forced fumbles. Against Virginia Tech in 2000, Freeney recorded an SU single-game record of 4.5 sacks.

1999
Syracuse earned a bowl invitation for the fifth straight year and the 11th time in the last 13 years. The Orange posted a 7-5 record in the final season of the millennium. The Orange kicked it off with two victories and closed the century with a 20-13 victory against Kentucky in the Music City Bowl. Linebacker Keith Bulluck was selected in the first round (30th overall pick) by the Tennessee Titans in the 2000 NFL Draft.

2000
Syracuse ran its streak of winning seasons to 14 with a 6-5 record. Cornerback Will Allen was the 22nd overall pick in the first round of the 2001 NFL Draft and is now a member of the Miami Dolphins.

2001
Syracuse continued its streak of winning seasons with its 15th in a row with a 10-3 record. SU was one of just four schools that could make the claim. SU beat Kansas State in the Insight.com Bowl for its 12th bowl win. Consensus All-American Dwight Freeney was selected in the first round of the NFL Draft, marking the fifth year in a row that an SU player heard his name in the opening round.

2002
Syracuse played in a school-record two triple overtime games, losing at Auburn and winning in the Carrier Dome against No. 8 Virginia Tech. Quarterback Troy Nunes concluded his SU career ranked in the top five on 10 different school record lists, while linebacker Clifton Smith and punter Mike Shafer etched their names among SU's record-holders, as well. In November, former standout quarterback Donovan McNabb was named to SU's Board of Trustees.

2003
Tailback Walter Reyes established the SU single-season records for rushing touchdowns (21) and total touchdowns (22) and the Syracuse career mark for rushing touchdowns (38) – as a junior. Wide receiver Johnnie Morant, defensive tackle Christian Ferrara, and offensive tackle Kevin Sampson entered the fraternity of Orange players selected in the National Football League Draft. Head coach Paul Pasqualoni moved into the second spot on SU's career wins record list with 101.

2004
Running back Walter Reyes concluded his Orange career as SU's second all-time leading rusher with 3,424 yards. Syracuse finished the season as BIG EAST co-champions, the program's fourth league title, after a regular-season ending win at #17 Boston College. The Orange lost to Georgia Tech, 51-14, in the Champs Sports Bowl. Offensive Adam Terry was chosen by the Baltimore Ravens in the second round of the 2005 National Football League Draft.

The Legend of 44

Number 44 at Syracuse University is one of the most storied numbers ever associated with a college football program. Like tailbacks at USC, quarterbacks at Brigham Young and linebackers at Penn State, the running back position at Syracuse has a rich tradition of greatness. Much of that greatness has revolved around one jersey number — 44.

On November 12, 2005, the number was retired. It is permanently displayed in the Carrier Dome, honoring the legends who have worn it for the Orange.

Since 1954, 11 players have worn the number and three are in the College Football Hall of Fame. Those three — Jim Brown, Ernie Davis and Floyd Little — certainly rank among the finest running backs to ever play the game.

Brown, who played at SU from 1954-56 and led the team to a Cotton Bowl berth, went on to become the NFL's all-time leading rusher and a member of the Pro and College Football Halls of Fame. He led the league in rushing eight times in his nine years. Many still point to him as the greatest running back of all time. Among Brown's accomplishments at Syracuse was setting an NCAA single-game record of 43 points against Colgate in a 61-6 SU win.

Davis played for the Orange from 1959-61. He won the 1961 Heisman Trophy, becoming the first African-American to do so, and was a starter on SU's 1959 national championship team. Davis also signed to play with the Cleveland Browns, but the devastating combination of Davis and Brown in the same backfield never came to pass. Davis died of leukemia in 1963. He was later inducted into the College Football Hall of Fame.

Little was a three-time All-America selection for the Orange. Little played for SU from 1964-66 and led the team to the Sugar Bowl in 1964 and the Gator Bowl in 1966 (teaming in the backfield with Larry Csonka in the latter). Little was the greatest kick returner in Orange history.

In addition to breaking the records of Brown and Davis, he led the nation in all-purpose yardage in 1965, averaging 199 yards per game. Little went on to have a tremendous career with the Denver Broncos, winning back-to-back rushing titles in 1970-71. He, too, was inducted into the College Football Hall of Fame.

2005
First-year Orange head coach Greg Robinson, who also served as the defensive coordinator, made an immediate impact on the Syracuse unit. The pass defense jumped 69 spots in the NCAA statistical rankings from 2004 (90th to 21st), while the total defense improved from 101st in 2004 to 57th in 2005. Free safety Anthony Smith led a group of four seniors who were selected in the 2006 NFL Draft when he was chosen in the third round by the defending Super Bowl Champion Pittsburgh Steelers. Offensive tackle Quinn Ojinnaka (Atlanta Falcons), defensive end James Wyche (Jacksonville Jaguars) and defensive end Ryan LaCasse (Baltimore Ravens) were selected in the draft.

2006
Quarterback Perry Patterson saved his best for last, setting career-highs in passing yards and touchdown passes. He finished his career ranked among the top five on five different Syracuse career record lists. Senior Brendan Carney led the special teams unit, finishing his career with Syracuse and BIG EAST records in punts and punting yardage. While Patterson and Carney closed out their careers, Delone Carter emerged as a threat during his freshman campaign. Carter rushed for 713 yards, the second-highest total for a freshman in school history. In April, Tanard Jackson and Kelvin Smith were selected in the 2007 NFL Draft.

SUCCESS STORIES

The Soladay Award

Kyle Johnson (football) and Libby Graves (rowing), pictured with SU Director of Athletics emeritus Jake Crouthamel, won the 2002 Soladay Awards. The honor is the highest bestowed upon a student-athlete by the athletics department.

It is fitting that the Soladay Award is the most prestigious award given to a student-athlete by the Department of Athletics. After all, Doris R. Soladay epitomized all of the positives in intercollegiate athletics. The Soladay Award is given annually to the top male and female student-athletes who best exemplify the essence of Doris.

From her appointment as the first, and only, Director of Women's Athletics at Syracuse University in 1975 until the day she retired as Associate Director of Athletics on May 31, 1995, Doris dedicated herself to student-athletes wearing the Orange of SU. The SU Department of Athletics and the world of intercollegiate sports lost a dear friend when Doris passed away in May, 2001.

Doris established scholarships for women, while increasing the budgets to run the programs. She worked with the late Chancellor Eggers and others who supported women's athletics to begin Orange Plus. Throughout her career, Doris made it a point to attend every home athletic contest of every Syracuse team whenever possible. She often cheered on one team in the morning, another in the afternoon and a third in the evening.

Her impact on athletics reaches far beyond "The Hill," however. Prior to the NCAA taking women's athletics into its fold, Doris held offices on numerous committees in the AIAW (Association for Intercollegiate Athletics for Women) on the state, regional and national levels. After the merger Doris directed her energy into the NCAA Council, serving from 1989 through 1995.

Doris was also influential regionally where she was an integral part of the expansion of The BIG EAST Conference to include women's athletics, as well as chairing various committees in the league. The ECAC also benefitted from her knowledge and savvy, where she was a member of the ECAC Women's Steering Committee from 1983-87. For her many outstanding contributions, the ECAC honored Doris with the 1995 Katherine Ley Award, presented annually to a women's athletics administrator who serves as a role model for her colleagues, as well as a strong proponent of women's issues.

It is no secret that since her retirement her presence in the corridors of Manley Field House has been missed, but it is clear that her legacy will remain a part of the Orange forever.

Nancy Cantor is the 11th Chancellor and President of Syracuse University, as well as Distinguished Professor of Psychology and Women's Studies in the College of Arts and Sciences.

A native New Yorker, Dr. Cantor came to Syracuse from the University of Illinois at Urbana-Champaign, where she was chancellor. She has held a variety of administrative positions encompassing all aspects of a research university--from chair of the department of psychology at Princeton to dean of the graduate school and then provost and executive vice president for academic affairs at the University of Michigan. She received her A.B. in 1974 from Sarah Lawrence College and her Ph.D. in psychology in 1978 from Stanford University.

Dr. Cantor is recognized for her scholarly contributions to the understanding of how individuals perceive and think about their social worlds, pursue personal goals, and how they regulate their behavior to adapt to life's most challenging social environments. She is co-author or co-editor of three books and author or co-author of numerous book chapters and scientific journal articles.

She has been an advocate for racial justice and for diversity in higher education, and she has written and lectured widely on these subjects. At the University of Michigan she was closely involved in the university's defense of affirmative action in the cases Grutter and Gratz, decided by the Supreme Court in 2003. Dr. Cantor has also lectured and written extensively on liberal education and the creative campus.

Dr. Cantor is a fellow of the American Academy of Arts and Sciences and is a member of the Institute of Medicine of the National Academy of Sciences. She has also received the Distinguished Scientific Award for an Early Career Contribution to Psychology from the American Psychological Association, and the Woman of Achievement Award from the Anti-Defamation League.

She is the past chair of the board of directors of the American Association for Higher Education and former chair of the board of the American Council on Education. She serves on the board of the American Institutes for Research and the advisory board of Future of Minority Studies, Paul Taylor Dance Foundation Board of Directors, and as an Honorary Trustee of the American Psychological Foundation. She has served on the board of trustees of Sarah Lawrence College and the Center for Advanced Study in the Behavioral Sciences, as a member of the National Advisory Board of the National Survey of Student Engagement and on various advisory boards and study sections of the National Science Foundation and the National Research Council, and a Congressional Commission on Military Training and Gender-Related Issues.

Dr. Cantor is a strong supporter of the athletics program, attending events and participating in special events, including the ceremony honoring the Syracuse Eight (top), Legends Day honoring Joe Morris (center), football games in the Dome (bottom) and the inaugural 'Cuse Awards (bottom photo, opposite page).

"The athletics program – which everybody is really proud of – contributes to the life of the institution, the economic well-being of Syracuse, and the overall quality of life. We're partners with athletics, just as we are with our artistic and cultural assets, and our major academic programs. We need to always think about this partnership as a dynamic, evolving, and complicated process."

Dr. Daryl Gross Director of Athletics

His vision to ensure that Syracuse, year in and year out, is recognized as one of the great athletic institutions in the country, is what drives Director of Athletics Dr. Daryl Gross. His mission for Syracuse Athletics is to compete and perform at the highest level in everything – on the playing field, in the classroom, in the community and in athletics facilities. The principles in which he believes include winning championships, graduating all of the student-athletes, maintaining compliance to all NCAA rules and being fiscally sound. A veteran athletics administrator, Gross understands the proud name and great athletics tradition of Syracuse University.

"Whenever I hear the name Syracuse University, I think of greatness," Gross says. "It has a phenomenal history. Every team will have the opportunity to win and graduate its student-athletes. We will work to meet our expectations with energy and enthusiasm. The coaching staffs will guide and mentor our student-athletes with the tools necessary for success."

In three years at Syracuse, Gross has already put his imprint on the Orange athletics' program. He has hired head coaches in football, women's basketball, softball, women's tennis, field hockey, women's lacrosse and cross country and track & field, adding them to a fraternity that already includes national championship winners Jim Boeheim (men's basketball) and John Desko (men's lacrosse). Gross has annually increased corporate sponsorships, community outreach and donor giving. He has also overseen upgrading of the Carrier Dome, the construction of the football strength and conditioning facility and improvements to many other athletics facilities. In 2005, Gross retired the #44 in football, honoring the Orange greats who donned the number, including 1961 Heisman Trophy winner Ernie Davis, whose mother, Marie Fleming, attended the ceremony. Legends Jim Brown, Floyd Little, Michael Owens and Rob Konrad, among others, were also in the Dome for the historic event. The department also hosted the first 'Cuse Awards, a celebration of the accomplishments of all student-athletes, coaches and administrators. Gross is planting seeds for future success with the addition of a women's ice hockey program beginning in 2008-09 and the construction of the Carmelo K. Anthony Basketball Practice Facility.

Prior to his appointment at Syracuse, Gross savored the sweet flavor of success during his 14 years in athletics administration at the University of Southern California. The Trojans won 16 national and more than 30 Pac-10 championships, fielded 145 Olympians and finished almost every year in the top 10 of the Directors' Cup all-sports rankings. During the last three seasons Gross was a member of the USC administration, the University's signature program – football – dressed two Heisman Trophy winners, and won two national championships.

At USC, he directed coaching searches and contract discussions, served as the department's spokesman, led marketing and corporate sponsorship efforts, negotiated television contracts, developed and contracted football and men's basketball schedules, jointly directed student-athlete academic services and directly supervised 10 of the University's 19 intercollegiate sports programs, among other responsibilities.

"Daryl embodies exactly the qualities we are looking for," said SU Chancellor Nancy Cantor, introducing Gross as SU's ninth Director of Athletics. "He has shown a depth of experience and leadership at USC and—in obtaining both his master's and doctorate—a great appreciation and understanding of academics. This speaks well of his ability to lead a top-notch athletics program and work closely with academic partners in the institution."

Among Gross' most important duties at USC was identifying top coaching talent. In 2001, he led the effort to sign longtime NFL coach Pete Carroll. Gross' searches also produced women's volleyball coach Mick Haley, track and field coach Ron Allice and men's and women's water polo coach Jovan Vavic, all of whom have won national championships and been named national coach of the year.

Gross holds both a master's degree and Ph.D. in educational psychology from USC, as well as a bachelor's degree in psychology from the University of California at Davis, where he was a football wide receiver from 1979 to 1981, catching passes from future New York Jets quarterback (and later USC football assistant coach) Ken O'Brien. From 1982 to 1985, he was on the UC Davis football coaching staff; in 1985, the Aggies were the nation's No. 1 Division II team. He also was the assistant men's tennis coach. In 1986 and 1987, Gross was a grad assistant at USC, working with quarterbacks and wide receivers. From 1989 to 1991, he worked for the New York Jets as a personnel scout and in the front office.

Gross joined the USC athletic administration as an assistant athletic director in 1991, overseeing five sports teams, the athletic training room and the student-athlete insurance program. He directed searches for hiring coaches; was the drug-testing coordinator and drug awareness and counseling liaison; directed the Degree Achievement and Former Athlete Degree Achievement programs; directed the Professional Sports Advisement Committee; and coordinated Amateur Athletic Foundation youth camps. In 1995, Gross was promoted to associate athletics director. From 1997 to 2000, he also held the post of interim director of Student Athlete Academic Services. In this role, Gross restructured all programming related to academic support for student-athletes and integrated Student Athlete Academic Services with the campus Learning Skills Center.

Gross was named a senior associate athletic director in 2002. In that role, he led USC athletics' corporate sponsorship program to record revenues and he headed the football marketing effort that broke USC attendance records. Gross also assisted in the biggest building program in the history of USC athletics, including facilities for track & field, tennis, football, women's soccer, basketball and volleyball.

A native of Los Angeles, Calif., Gross has two daughters, Jamie and Jolie. Gross and his wife, Lael, Syracuse's assistant athletics director for marketing, reside in Fayetteville.

Winning the Right Way – THE SYRACUSE WAY

The Office of Athletic Compliance (OAC) functions within the scope of the University's compliance program to coordinate, monitor and verify compliance with all NCAA requirements, and to educate the various constituencies of the University and the athletics community regarding NCAA regulations.

The OAC directs the University's compliance efforts and acts as a resource center concerning NCAA regulations and compliance issues. The primary functions of the OAC are to oversee and verify the accurate and timely completion of NCAA-required procedures. In addition, the OAC provides educational programming and interpretive support to ensure that all individuals involved with the athletics program fully understand the University's compliance expectations. It is the responsibility of the OAC to ensure that the demands of the NCAA's and the University's compliance efforts and expectations are properly supported.

Syracuse University is committed and obligated to the principle of institutional control in operating its athletics program in a manner that is consistent with the letter and the spirit of NCAA, conference and University rules and regulations. As the University strives for academic and athletic excellence, we must always seek the highest standard of ethical conduct. Involvement with our athletics program is critical to it's success. However, we must emphasize that any inappropriate or inadvertent activity could jeopardize the eligibility of our current or prospective student-athletes and the university's compliance with NCAA regulations.

In order to establish an environment within this University that is conducive to the NCAA's operating principle of competitive equity, it is critical that everyone associated with the program (from the coaches, staff, student-athletes, and the supporters of the program) establishes personal accountability and integrity in their actions. It is important to recognize that in terms of NCAA rules compliance, everyone must identify their roles and responsibilities and not be afraid to regularly communicate and demonstrate the commitment to rules compliance in their actions.

For the most part, the NCAA is a self-regulatory body which relies on the integrity and accountability of those involved in any way with the program. Win or lose, we must look at our effort as a shared responsibility. In athletics, if one person fails to do his/her part, it can make the difference between winning and losing. When it comes to NCAA rules, it works in much the same way.

If you have any questions regarding NCAA rules and regulations, especially those relating to interactions with prospective and currently enrolled student-athletes, please contact the Office of Athletic Compliance. Don't be afraid to ask! SU's athletics programs want and need your support and cooperation to ensure that SU wins the right way, both on and off the field.

Orange Club – Syracuse Athletics Tomorrow

STATE-OF-THE-ART STRENGTH AND CONDITIONING FACILITY

The multi-million dollar, 11,200 square-foot strength and conditioning training facility opened in November, 2005. The addition to the Iocolano-Petty Football Complex is built off the existing football training room. The lower level of the complex is dedicated to free weights and weight machines, while the balcony level is used for aerobic equipment.

"This facility is part of our SU Athletics Tomorrow plan. We have to provide the best for our student-athletes to assist all of our program's in the effort to compete on the national level. We are thrilled that Donovan (McNabb) remains involved with the football program and that he has stepped forward with a major gift for this project."

~ Dr. Daryl Gross, Director of Athletics

"When we all sat down and talked about something in which we could take another step forward and the weight room came up, I jumped right on it. This is something we all need to be excited about. Not just because this is a weight room, but this is a building block to where we want to go."

~ Donovan McNabb '99
Former Syracuse standout and current Philadelphia Eagles All-Pro quarterback
Member of the University's Board of Trustees

THE VARSITY CLUB ROOM

Located in the East endzone of the Carrier Dome, in the area that used to be the Orange Pack Room, the Varsity Club opens 90 minutes prior to every football game and remains open through halftime.

All Orange letterwinners are eligible to join the Varsity Club, an organization established more than 50 years ago to strengthen the spirit for Syracuse athletics and loyalty to the program. The club is dedicated to the growth of the Orange athletics program. A new benefit for active Varsity Club members, the "Varsity Club Room" is a gathering place for all former Syracuse student-athletes, along with their family and friends, for pre-game and halftime events.

Membership in the Syracuse Varsity Club includes a subscription to Orange Exclusive, the official Syracuse Athletics magazine, invitations to social events, including the Night of Distinction, Varsity Club/Orange Club Weekend, team banquets, and special mailings. All graduating seniors receive a one-year complimentary membership and a dues fee of just $5 annually for the next four years. After five years, the dues are $40 per year, while a Lifetime membership is $500.

"Many of our former student-athletes gather in the room to talk about their great memories of competing for the Orange. We are delighted that we have an area in the Dome that they can call home on gameday. We are very proud of all of our former student-athletes. We welcome them home with great enthusiasm."

Success in the Classroom – SUPPORTING THE ACADEMIC EFFORT

To support the athletic and academic goals of the student-athletes, the Syracuse Athletics Department has a comprehensive Student-Athlete Support Services team.

The unit is managed by a director, five full-time academic coordinators, an administrative specialist, four graduate assistants and a complete tutoring staff devoted specifically to individual academic, personal, and social development.

STEVENSON EDUCATIONAL CENTER (SEC)

The department was selected as a pilot school for the NCAA CHAMPS/LIFE Skills Program. This program at Syracuse is known as the Stevenson Educational Center (SEC) LIFE Skills. The role of SEC is to provide experiences and opportunities that will help the student-athletes realize their full potential. The key components of the SU LIFE Skills Program are:

- Academic Commitment
- Personal Development Commitment
- Service Commitment
- Career Development Commitment

The program, designed to enhance leadership and citizenship skills, offers opportunities to develop understanding of choice, integrity, accountability, excellence and commitment. The program was created to adapt to the ever-changing needs of the student-athlete during his/her collegiate career and encourages meaningful contributions to the community.

STEVENSON EDUCATIONAL CENTER MISSION STATEMENT

Our mission is to provide supplemental academic support for all student-athletes at Syracuse University (SU) in a manner which addresses their unique needs. Primary academic advising and support is provided by the faculty advisor assigned to each student-athlete from his or her home college, school, or department at SU. The Stevenson Center evaluates the academic strengths and weaknesses of student-athletes and offers developmental support. Tutoring and mentoring is also available to all student-athletes as one of the many options that foster academic success.

Student-athletes' academic programs are continuously monitored in order to assure that NCAA and University rules are met and that academic progress is being made toward graduation. The Stevenson Center team serves as a liaison between the academic and athletic communities and addresses any issues which may arise. Transitional and developmental programs are provided to assist student-athletes in preparation for life after college.

STUDENT-ATHLETE ADVISORY COMMITTEE

The Student-Athlete Advisory Committee (SAAC) is a recognized student-athlete organization within the Office of Student Life. SAAC serves to represent the interests, opinions and concerns of SU student-athletes.

The four main objectives of the SAAC are to:

1. Provide open communication between Syracuse University Student-Athletes and the Athletic Administration.
2. Determine the need for areas of expanded education or social programming for student athletes.
3. Encourage teams to support and interact with other teams.
4. Actively participate in community outreach programs.

Members of the Student-Athlete Advisory Committee (SAAC) assisted in staging the inaugural 'Cuse Awards, a celebration of the accomplishments of all student-athletes, coaches and administrators

SYRACUSE HONORED FOR OUTSTANDING GRADUATION RATES

Syracuse earned the 2000 American Football Coaches Association (AFCA) Academic Achievement Award for having a 100 percent graduation rate. The award is presented annually by the Touchdown Club of Memphis.

The Syracuse football team received the 2007 Academic Achievement Honorable Mention Award from the AFCA. SU was among 32 schools in the nation named to the honorable mention list. The Orange has been recognized by the AFCA for 14 of the past 18 years.

This is the 16th time that the Orange has been recognized by the AFCA for its academic achievement, which ranks eighth among all other schools in the country. It is also the most honors for by a BIG EAST Conference school.

ATHLETIC DIRECTOR'S HONOR ROLL

Established in 1995, the Athletic Director's Honor Roll recognizes the academic achievement of SU Student-Athletes. The award is earned by student-athletes who obtain a 3.0-or-higher grade-point average in any given semester, excluding summer.

In 2006-07, 53 football student-athletes were recognized in the fall and spring semesters.

HONORS FOR THE ORANGE PROGRAM

The Syracuse University Department of Athletics earned the 1999 CHAMPS/Life Skills Program of Excellence Award from the Division I-A Athletic Directors' Association. The award honors universities that have dedicated staff, financial resources and creative energies to improve the total college experience for the student-athletes.

Syracuse introduced the CHAMPS/Life Skills program in 1992 when it was created by the NCAA. Its goal is to teach students such skills as financial management, career planning, study techniques and community services, preparing them for life after the final whistle of their athletic careers is blown. The award recognized Syracuse, along with six other universities, as lifetime Programs of Excellence for being one of the nation's most innovative universities committed to the well being of the student-athletes.

ORANGE STUDENT-ATHLETES EARN 10TH CHANCELLOR'S AWARD

The Syracuse athletics department's 'Cuse Cares Community Outreach program and senior football student-athlete Kelvin Smith will be recognized for their commitment to engagement with the community and Scholarship in Action with the 2007 Chancellor's Awards for Public Engagement and Scholarship in a March 26 celebration dinner in the Hildegarde and J. Myer Schine Student Center's Goldstein Auditorium. It marks the 10th consecutive year that Orange student-athletes have earned the CAPS Award.

"We ask our student-athletes to be extraordinary on and off the field," said Director of Athletics Dr. Daryl Gross. "Community service is an area in which we strive to be the best. There are numerous hours and substantive areas that our coaches and student-athletes commit to yearly. We are proud of their service and their commitment to this community and beyond."

Kelvin Smith (center), a four-year starting linebacker for the Orange football squad, was honored with the first Syracuse Eight Courage Award. He developed and implemented a leadership skills program at Dr. King Elementary School with eight African-American boys. Syracuse legend Art Monk (left) and Syracuse Eight member Greg Allen presented the award at the inaugural 'Cuse Awards.

The 'Cuse Cares program is one of 14 University programs that will be recognized for service in the community. SU student-athletes participated in more than 1,200 hours of community service projects since the start of the 2006-2007 academic year in a variety of activities that enriched the lives of children, elderly, homeless, and many more individuals.

Smith, a four-year starting linebacker for the Orange football squad, developed and implemented a leadership skills program at Dr. King Elementary School with eight African-American boys. Smith designed and conducted the workshops with the children in the areas of creating leaders, leadership and health, leadership in sports and the rhythm of leaders.

Throughout the year, Syracuse student-athletes dedicated time to school fundraisers, youth clinics, Boys and Girls Clubs activities, preparing gifts during the holiday time for children, and Winterfest activities for kids. Student-athletes also spent many hours reaching out to young refugees in the area.

At the annual SUccess By Six kickoff at the Dome student-athletes from six teams collected 400 books and more than $300 for area children before a basketball game. Ten Orange teams participated in the annual Dollar Days at the Dome and raised more than $7,100 for the United Way.

Student-athletes also participated in many fundraising events, including the Breast Cancer walk-a-thon, a walk for kidney disease, and the Relay for Life at the Carrier Dome, and assisted in projects that benefit underprivileged individuals, including serving breakfast at the Rescue Mission and volunteering at the Oxford Homeless shelter. In addition, student-athletes visited with residents at The Oaks retirement center, the Ida Benderson Senior Center and the pediatric units at local hospitals, and participated in the opening ceremonies of the Special Olympics and cheering on the athletes competing in their winter game events. Other activities include participation in Take Back the Night, building houses for Habitat for Humanity, activities at Head Start, reading books for a reading awareness program at a local middle school and the annual Shooting for A's program, an academic enrichment program which features opportunities to participate in group sports and meet student-athletes.

Members of the Orange football team spent more than 320 hours in the Syracuse community during the 2006-07 year, including visits to the Children's Hospital (above), the Ida Benderson Senior Center, the Syracuse Justice Center, the Onondaga County Special Olympics and many area schools and participated in a variety of youth educational programs.

Building Fan Support – MARKETING ORANGE ATHLETICS

MARKETING

Lael Gross, Assistant Director of Athletics/ Director of Marketing works with the marketing department and corporate partners of Syracuse Athletics. Gross coordinates many of the department's marketing initiatives, including Syner-Cuse, supervises the marketing staff and directs the implementation of gameday promotions. In addition, Gross assists with development. Gross and her husband, Daryl, Syracuse's athletics director, reside in Fayetteville.

SYNER-CUSE

An innovative partnership designed to enhance the marketing of SU's Olympic sports teams, Syner-Cuse was developed by Dr. Daryl Gross, Athletics Director, and Michael Veley, Director of the Department of Sport Management in SU's College of Human Services and Health Professions. The program allows students to become general managers of SU's Olympic sports teams, receiving the ultimate hands on learning experience.

"The name 'Syner-Cuse' implies the developing synergy between Athletics and Sport Management," Gross said. "Students will develop business and marketing skills in a true organizational structure, while helping to promote our student athletes, coaches, and overall athletics program. They will gain first-hand knowledge of sport franchise management."

"It's a tremendous opportunity for our students to gain further insight into the dimensions of the industry, including communications, marketing, business, and compliance, learning inside a premier, Division-I athletic program," Veley said. "It epitomizes 'Scholarship in Action,' and benefits both Athletics and Sport Management tremendously."

SYRACUSE ISP SPORTS

Syracuse ISP Sports is the exclusive multi-media rights holder for the University. Joe Baldini is in his fourth year as General Manager of Syracuse ISP Sports. Baldini has worked with ISP Sports since it became a partner with Orange Athletics in 1998. He and his staff are responsible for clearing, producing and distributing all live radio broadcasts, including radio call-in shows for coaches Greg Robinson and Jim Boeheim, "Syracuse Sidelines" on Time Warner, and internet rights. Syracuse ISP Sports is also responsible for all corporate sponsorship for radio, arena signage, internet, print and game-day program sales.

SYRACUSE STEINER SPORTS

Director of Athletics Dr. Daryl Gross and Steiner Sports CEO Brandon Steiner '81 launched "Syracuse Steiner Collectibles," a multi-faceted marketing partnership, in August, 2006. Director of the Syracuse Sport Management program Michael Veley also assisted with the creation of the partnership.

The first of its kind marketing relationship provides fans of "Orange Nation" with access to Syracuse sports memorabilia and players, and will release hundreds of authenticated memorabilia from one of college sports' most historic programs. Among the authentic items available are collector's pieces of the Carrier Dome hardwood floor from the 2003 men's basketball championship season, which are converted into furniture and plaques, as well as basketballs, footballs and jerseys. Syracuse sport management majors help to run Syracuse Steiner Collectibles. Syracuse Steiner includes a wide variety marketing opportunities, including fantasy experiences such as "meet the coaches" and opening coin tosses and opening taps.

When people think of Syracuse football, they think of the Carrier Dome. And every time the Carrier Dome is mentioned people will think of Syracuse football because, when it comes to home-court advantage, Syracuse has a definite edge. Syracuse is privileged to have one of the finest, most unique and intimidating facilities in the country.

The Carrier Dome, located on SU's campus, is the only domed stadium in the Northeast and the largest structure of its kind on any college campus in the country. In fact, Syracuse is the only I-A university in the nation that plays its home football and basketball games in a domed, on-campus stadium.

While the structure itself is special, so is the staff that manages it.

Senior associate athletics director Pat Campbell oversees all operations of the Carrier Dome, including all event day and non-event day activities. September 20, 2005 marked the 25th anniversary of the opening of the Carrier Dome. During that time, it has been the site of NCAA men's basketball tournament games, NCAA men's and women's lacrosse national semifinals and finals, as well as the Empire State Games and AAU Junior Olympics. A number of high school events have also been conducted in the facility.

BIG EAST football fans will have the opportunity to catch conference teams on television all season long. The league continues a multi-year deal with ABC Sports as its broadcast network television partner. The BIG EAST also has agreements with ESPN and ESPN Regional Television (ERT) that will once again allow the conference extensive television exposure. In addition to games on ESPN and ESPN2, a number of contests will be on ESPNU as well as streamed live on the internet via ESPN 360. Two games can also be seen on CSTV this season.

ESPN Regional Television's BIG EAST Game of the Week package remains the largest regional college football network in the nation, reaching more than 30 million homes across the United States. In addition, nearly all games broadcast by ERT are offered as part of the ESPN GamePlan pay subscription service. ESPN Regional Television is the largest syndicator of college sports programming in the United States.
